

Captiva Civic Association

January 15, 2007

Dear Fellow CCA Member(s),

Each year, the membership of the Captiva Civic Association elects members from its ranks to serve on the Board of Governors. Your Board will, from time to time, ask you for input on how we are going about our job and have been guided by our members' views. The enclosed brief survey asks for your opinion on our activities with respect to land use, wetland development, other environmental problems, the Association's social events and several other topics.

We will be grateful if you will take a few minutes to share your thoughts with us. Your views will be very important to the Board as it plans for the year ahead. A survey is enclosed for each member. We ask that you return your completed survey in the enclosed self-addressed stamped envelope by February 9, 2007.

If you prefer to respond via email, the survey is posted on the CCA website at: www.CaptivaCivicAssociation.com. The results will be reported at the February 27th General Membership Meeting and on our website. If you have any questions, please do not hesitate to contact the CCA office on 239-472-2111 or via email to: CaptivaCivic@earthlink.net.

Sincerely,

William Fenniman
President
